Seen & Heard Around MURRAY

Best wishes to Kirk Pool. He suffered a stroke on December 3 and is just now getting back in harness again. Kirk says he is still poorly but stays down at his place about an hour a day. Kirk has had a rough time and his many friends are pleased to see him up and about again.

Out in the back yard last night and saw something up in the Elm tree but could not quite make it out. Got the field glasses and it turned out to be a big Jay Bird all bundled up for the night. He was sitting in a spot where the north wind would be blocked by a big limb. He did not move a muscle as we surveyed the horizon.

We have seen moose before, but Sport connected the biggest one yet.

He got a pillow from somewhere and proceeded to chew on it. It was filled with foam rubber, not one big piece, but granulated. Sport transmitted it even further and scattered it from here to yonder.

He's got it all mixed up with the corn that he has also scattered this morning the whole mixture was frozen together.

It is all over the carport, driveway, and around to the back of the house.

We never saw a dog before that asked for trouble so consistently. Take yesterday for instance. Oldest at home walked out and Sport was so glad to see him that he ran up behind him and gave him a body block that would have done justice to the Buffalo Bill's Tom Day and sent the oldest sprawling in the driveway.

Does Sport stop to offer sympathy or aid? Of course not. He runs gleefully off once the frozen ground with ears flapping in the breeze and his long tail going from side to side. Pure joy shown in his face and his general attitude was that "all is right with the world".

Bob Carpenter showing us pictures of his cat. One of them showed the big blue-gray cat in a paper sack, looking out as though he were scared to death.

We once had a de-scented Skunk. We called him Pauper because he didn't have a scent. A little humor there.

Why is it that when your cup of happiness is full, somebody always jogs your elbow?

Fellow telling about his five-year-old grandson who had one line in a kindergarten Christmas playlet, appearing in an angel's garb to say, "I bring you good tidings!" After many rehearsals our lad asked his mother what were "tidings." She explained tidings were news.

Came the performance and the little angel became flustered. After a long embarrassing silence he blurted out, "Hey, I got news for you!"

One of life's mysteries, why is the water bottle in the refrigerator always empty when we want to use it.

Seems as though we are always filling it up, but when we want a drink, it is always empty.

Mr. and Mrs. Earl Littleton left this morning for Florida. They'll be gone a month or so.

There is a lot of hurrah about replacing automobiles safer. All the emphasis is on making the automobile safer instead of making the driver safer. We think automobiles are safe enough if handled properly. Most makes have improved the door latches so doors

SNIPER VICTIM—Mrs. Ruby Hicks and Officer S. L. Dalrymple look at the bullet hole in her windshield after she was fired on by that sniper in Los Angeles. A passenger in Mrs. Hicks' car was injured.

Mrs. Ruby Hicks Observes Birthday At California Home

A story about Mrs. Ruby Hicks, formerly of Hazel, appeared in the Loma Linda Bulletin of Loma Linda, California. Mrs. Hicks is living there now near her children.

The story was accompanied by a picture of Mrs. Hicks and her son Robb.

Following is the newspaper account concerning Mrs. Hicks.

Mrs. Ruby Mason Hicks, celebrated her 88th birthday—December 14, a highlight of which was a specially decorated cake served as a surprise, at noon in the dining room at Heritage Gardens, where she resides in the retirement facility.

She shared the cake with her friends and others present for the occasion.

Mrs. Hicks' family represents six generations connected with the medical work of the church. A son and a grandson also are following the family's medical tradition.

One son, Robb R. Hicks Jr. of Redlands, is regional public relations director of Warner-Chilcott Laboratories of Morris Plains, N. J., and is a member of the Board of Councilors of Loma Linda University.

Another son, Dr. Shelby Hicks, M.D., is a member of the California Board of Medical Examiners and the son of Elder Everett Hicks, is director of the department of anatomy at the University of South Carolina School of Medicine.

A grandson, Robb Hicks III, M.D., is ophthalmologist at the Methodist Clinic in Covina.

While Mrs. Hicks is justly proud of her children, they in turn have cause to be proud of their mother. For she has been active in work of the church, in one capacity or another, for 55 of her 88 years.

She taught in the church school a number of years, and she married the late Robb Hicks Sr., who succumbed in August.

March Draft Quota 1000 Over February

WASHINGTON 329 — The Defense Department today called for the draft of 11,000 men for the March 1967 quota, more than the February quota.

The March level still is relatively low, however, compared to the rate maintained in 1966 for the Vietnam buildup. It is nearly 4,000 below the 15,000 tallies set this month.

Admiral reaching a high of nearly 50,000 last October, the draft was cut back to allow space in Army camps for training National Guardsmen and Reservists.

The Air Force, Navy and Marine are continuing to fill their needs with voluntary enlistments.

5,000 Americans Are Killed In Viet Nam War During 1966

SAIGON 329 — U.S. military officials reported today that more than 5,000 American servicemen were killed in Vietnam fighting during 1966. The death toll was nearly four times higher than the year before.

The year end casualty report showed that 128 Americans were killed in action during the final week, in spite of a two-day lull in combat during the Christmas truce. It raised 6,044 the number of U.S. servicemen killed in Vietnam since 1961.

The U.S. death toll at the end of 1966 was 1,907 — an accounting that would set the 1966 combat death toll for Americans at 6,047.

In 1966 itself, 1,350 U.S. servicemen were reported killed. There were only 247 American combat deaths in the four previous years dating to Jan. 1, 1961, when casualty figures first were compiled.

The casualty figures for any of the years is subject to change, however, since men have died of wounds received in a previous year. But since a vast majority of American deaths occur on the battlefield itself, the tolls are regarded substantially accurate.

In another comparison pointing to escalation of the war, U.S. spokesmen reported that there were 380,000 American fighting men in Vietnam at the end of 1966. Troop strength rose throughout the year at a rate of about 4,000 per month.

The report for the week ended last Dec. 31 said that in addition to the 128 Americans killed, 634 were wounded in action. The large number of casualties reflected bitter fighting in the central highlands during the week between Jan. 1 and Jan. 7.

The U.S. death toll in seven days of fighting the previous week was 109. There were no men reported missing in action last week.

Former Murray Woman and Her Daughter Hurt

C. Enix.

Her two sons, Randolph and Jerry McCoy, had come to Murray Sunday with Z. C. Enix and were not traveling with their mother and sister at the time of the accident. Her husband is serving with the Air Force in Viet Nam. The family now resides in O'Fallon, Ill.

Mrs. McCoy and her daughter received bad cuts and abrasions about the face and head and were taken to the hospital at Fort Campbell. They were released and sent to the home of her brother, Albert Enix of Murray, yesterday. Her car was brought to Parker Motors.

Income Tax Questions & Answers

Q — My employer gave me a cash bonus this Christmas. Will it be taxable?

A — Yes it will be taxable and your employer will withhold taxes on it.

Q — Will the IRS issue state sales tax tables?

A — Yes, state sales tax tables will be part of the 1967 instruction booklet. They may be used as a guide for taxpayers who itemize deductions.

The instructions will also have a table on gasoline tax deductions to make it easier for taxpayers to arrive at a proper deduction for this tax. This is the first time such a table has been prepared on gasoline taxes.

Q — I just sold some stock I inherited from my father. How do I determine my profit or loss and whether it was long-term or short-term?

A — Use the fair market value of the stock at the date of the decedent's death as the basis for determining whether you had a gain or loss. If you received more for the stock than its value when you acquired it, for example, then you have a capital gain to report.

If you sold the stock more than six months after your father's death then the gain or loss will be considered long term. Six months or less, will make the transaction a short-term one for tax purposes.

Q — I recently made a payment on back taxes and now I get, another bill for the tax. What's the reason for this?

A — Payments frequently come into our offices that cannot be identified. For this reason all checks for tax payments should have Social Security numbers on them. This will identify the payment with your account.

It also is helpful if you include the notice of payment due when paying such a bill.

Q — Are the tax rates in 1966 the same as they were for 1965?

A — Yes. But social security tax rate on self-employment income is higher.

Racers Start OVC Season On Saturday

Murray State will open its Ohio Valley Conference campaign Saturday at Morehead, the team given the best chance to upset Western Kentucky as conference champion.

The Racers will then play at Eastern Kentucky Monday night and return to Murray for games with Tennessee Tech Jan. 14 and with East Tennessee Jan. 16.

Anyone of those four teams are capable of beating anyone in the league, and the only way we could have a tougher start would be to play Western," Coach Cal Luther said.

Morehead appeared to have Western on the ropes in the OVC tournament, only to permit the Hilltoppers to rally for an overtime win.

East Tennessee lost to the Toppers in the OVC final and then beat Morehead in the championship game of the Shreveport, Louisiana, Christmas Invitational. Morehead beat Tech by one point in the OVC and East Tennessee broke open a close game in the final two minutes to beat Eastern.

Luther said he felt Morehead had all the ingredients to win the league championship — experience, depth, size, and shooting. He also praised Eastern highly, calling Bobby Washington the best sophomore in the league and Garfield Smith one of the best big men.

Morehead has won seven and lost two games for the season. Eastern has won one and dropped four. However, three of the four teams that beat the Colonels have been ranked in the nation's top 20.

Murray will take a 6-3 record on the road. All three of the teams that beat the Racers won holiday tournaments. Canisius won the Queen City Tournament in Buffalo, Bradley the Sugar Bowl Tournament, and Western the OVC and the Hurricane Classic.

Herb McPherson continues to lead the Racers in scoring and was twentieth in the country in the last NCAB report with a 23.5 average. Billy Chumler has averaged 15.4 points. Dick Cunningham 13.8, Don Duncan 13.7, and Rick Haverstock 7.8.

Cunningham has averaged 21.2 rebounds and ranks third in the country in that department. Duncan, who ranks third in the nation in free throw shooting, hit 25 in a row before missing against MacMurray Monday night. He has hit 48 of 52 for the season. His consecutive string is a new Murray record. The old record which he set last year was 20. Cunningham also set a school record against MacMurray when he pulled in 36 rebounds. The entire team had 95 rebounds which set new school and OVC records.

Despite all the records, Luther said he was far from pleased with his team's performance against MacMurray. "Our long layoff really showed up. We made far too many errors, and weren't sharp in any department except rebounding. We'll have to play far better than that to stay in the game at Morehead."

BOWLS BIG BUSINESS
KNOXVILLE (UPI) — Tennessee's football eleven made \$165,000 last Saturday in their 18-12 Gator Bowl win over Syracuse, it was reported today.

Outlet officials said Syracuse, an independent, got an equal share of the gate.

Syracuse will retain all of its share while Tennessee keeps \$120,000 and shares the remainder among other Southeastern Conference schools.

In return, the Yols also receive a share of the money from the Orange, Cotton, Sugar and Bluebonnet bowls.

Duplication Of Last Year For Tar Heels Could Be Fruitful

By VITO STELLINO

UPI Sports Writer

If the North Carolina basketball team didn't make any New Year's resolutions, it might be time for a late one.

The Tar Heels should resolve to start playing again like they did in 1966 if they're going to be a contender for 1967 national collegiate honors.

The Tar Heels started off the 1966 part of this 1966-67 season with a magnificent 9-0 record, bringing back memories of 1956-57 when the Tar Heels went 32-0 and beat Kansas in Wilt Chamberlain's sophomore year 54-53 in triple overtime to win the NCAA title.

The North Carolina rosters started envisioning a similar performance against UCLA this year in Lew Alcindor's sophomore year.

But in the first four days of 1967, things have been different. The Tar Heels were gunned down by Princeton of the Ivy League 91-81 Monday night and then just squeezed by Wake Forest, which now has a 3-7 record, 76-74, Wednesday night.

Last Second Triumph
It took a basket by 6-foot-10 sophomore Rusty Clark with 17 seconds left to give North Carolina a 74-74 deadlock and then junior sensation Larry Miller made a dramatic steal and drove in for a lay-up in the last second to give North Carolina the victory.

North Carolina was the only member of the United Press International's top 10 ranked teams to see action Wednesday night. But two members of the second 10, St. John's and Dayton, were both in action and both were victorious.

St. John's turned back George Washington 74-58 and Dayton nipped Xavier 75-72.

Five members of the nation's top 10, Louisville, Cincinnati, Houston Providence and Vanderbilt, will play tonight.

North Carolina now has two days off before facing defending champion Duke in a key Atlantic Coast contest Saturday night. Duke, which has a 5-4 record with two of the losses to UCLA, beat Penn State 89-84 Tuesday night even though Blue Devils coach Vig Rubeus temporarily suspended nine players for violating training rules.

Bubas Mute
Bubas hasn't announced whether any or all of the players will be reinstated for the North Carolina game.

Sophomore Dennis Witowski sank two free throws with 10 seconds left to give Fordham a 65-63 triumph over North Carolina State. Witowski didn't start but led all scorers with 22 points in the game.

Richmond guard Johnny Moates hit a career high of 35 points to give the Spiders a 72-69 upset triumph over Davidson. It was Richmond's first victory over Davidson after 11 straight losses.

In other action, Holy Cross nipped Connecticut in overtime 74-69. St. Bonaventure whipped Belmont Abbey 72-46. Niagara topped Buffalo State 83-67. Butler beat Ball State

95-83. Miami of Ohio turned back Kent State 67-49. Toledo nipped Bowling Green 98-94. DePaul edged Bellarmine 94-73, and Texas Christian beat Texas Tech 71-65.

FARM BUREAU in Action

Tens Berthoff Kentucky Farm Bureau Fed.

The Kentucky Farm Bureau Federation has announced plans for the 1967 Congressional Tour to Washington, D. C. The tour is set for February 26 through March 2. A special train will leave Louisville at 2:55 p.m. Sunday, February 26. It will return at 10:50 a.m. Thursday, March 2. The price of the roundtrip coach ticket from Louisville to Washington is \$34. Stops to be made by the train are: Lexington, Winchester, Sta. Sterling, Morehead, Olive Hill and Ashland. Those along the Ohio River can make connections with the C & O at their stations and meet the group at Ashland.

Those who prefer to make arrangements for Pullman fare will find the following prices are available: one person in a roomette, \$106.86; man and wife in double bedroom, \$109.40 (per couple); two persons in double bedroom, \$109.40 (per person); one person in bedroom, \$127.

This is an annual event of the

Kentucky Farm Bureau. The Congressional Tour provides a chance for Farm Bureau leaders to explain the organization's position on legislative issues to the senators and representatives in Washington. It also is an opportunity to demonstrate the interest of individual country Farm Bureau members in Washington affairs.

Those making the trip will visit with Kentucky senators and representatives in their offices and view the operation of the Senate and House of Representatives. Passes to the galleries of the House and Senate will be handed out to each Farm Bureau member. Special arrangements will be made for a party to visit the White House.

The Kentucky Farm Bureau Congressional Dinner, to be held at one of the leading restaurants in Washington, will climax the four-day educational tour. Another highlight will be a visit to the American Farm Bureau offices in the Penn. Building.

The Washington Monument, the Smithsonian Institute, Arlington Cemetery, the U.S. Department of Agriculture, Library of Congress and Supreme Court Building will be among the points of interest that everyone will be able to see.

If you are interested in this very informative trip this year, you should begin to make your plans now. Mark the date on your calendar and contact Charles Wallace, Director of Research, Kentucky Farm Bureau Federation, 120 South Hubbard Lane, Louisville, Ky. 40207. He will provide you with any additional information you need. He will also make a reservation for you not only for the train trip to and from Washington, but for your room accommodations in the capital city.

Senators and representatives always welcome the visit of Farm Bureau leaders from Kentucky.

Why Not Give Mom Night on the Town?

By Abigail Van Buren

DEAR ABBY: We are just ordinary people. My husband has a 9 to 5 job and I am only a housewife. We have been married for 10 years and in all that time we have never gone anywhere without taking our children. (We have three.) I have never had one night away from home except those few when I went to the hospital to have another baby.

We have never hired a sitter. Never needed one. My husband said the children grew up so fast we should enjoy every moment we can with them. I love my children, Abby, but don't you think I deserve a night out without the children just once a year?

STALE MATE: DEAR MATE: Your husband forgets that you "enjoy" your children all day, everyday when he is at work. Remind him. I think you not only "deserve" an occasional night out, but you NEED one.

DEAR ABBY: My mother passed away early in November after a lingering illness. She knew she was dying and her last wish was that my sister, son, go ahead and get married on the scheduled date, which will take place in about three weeks. My question: Do you think my three sisters and I should attend the wedding in our mourning clothes? And should we dance?

IN MOURNING: DEAR IN: Don't sadden an otherwise happy occasion by appearing in mourning clothes. (Your mother wouldn't have wanted you to.) Dress as you normally would for a wedding, but don't dance.

DEAR ABBY: Last Sunday my husband and I were at my mother's when my in-law dropped in unexpectedly on their way home from church. My husband was watching something on TV. Everyone gathered in the living room and started talking. My husband's mother asked him to turn down the TV.

He turned it down a little and drew his chair up closer to it and continued to watch while his parents, my mother and I shouted to make ourselves heard above the TV program. Finally his mother walked over to the set and turned it off.

With that, my husband stomped out of the house in a huff and took off in his car. What do you think of a 24-year-old man acting like that?

ASHAMED

DEAR ASHAMED: I would say that in this case rudeness was an inherited trait.

DEAR ABBY: I became widowed suddenly and have suffered severe

Sister Of Mrs. Kennedy Heads Best Dressed

By GAY PAULEY

NEW YORK (UPI). — Princess Lee Radziwill, younger sister of Mrs. John F. Kennedy, Friday topped the annual international list of best-dressed women.

On the list for the first time, and in fifth place, was Mrs. Lyndon B. Johnson. Two Fords and two Vanderbilts also made the grade.

The 1966 list of 12 best-dressed, selected through international ballot, included some women who were repeats from other years, as was Lee Boliver Radziwill. But newcomers including Mrs. Johnson were Mrs. Angier Biddle Duke, wife of the U.S. ambassador to Spain, Mrs. Henry Ford II who is the former Christina Austin, actresses Sophia Loren and Lauren Bacall, and former model Betsy Pickering, now Mrs. Harilaos Theodoropoulos.

The complete list by rank: Princess Lee Radziwill, wife of Polish-born Prince Stanislas Radziwill.

Mrs. Carter A. Burden, whose mother, Mrs. William S. Paley, is a best-dressed perennial. Mrs. Burden, the former Amanda Mortimer, topped the list last year at the age of 22, the youngest ever so named.

Actress Lauren Bacall, the wife of actor Jason Roberts; Mrs. Wyatt Cooper, the former Gloria Vanderbilt; Mrs. Lyndon B. Johnson.

Mrs. Alfred Gwynne Vanderbilt, the former Jeanne Murray of Chicago. Mrs. Patrick Guinness, who mother, Mrs. Loel Guinness is a well-known fashion plate too.

Mrs. Stavros Niarchos, the former Charlotte Ford.

Actress Sophia Loren.

Mrs. Angier Biddle Duke.

Mrs. Henry Ford II.

Mrs. Harilaos Theodoropoulos, whose husband is with the National Shipping and Trading Corp.

Others who have become "fixed stars" of the fashion firmament, by moving into the "Hall of Fame," include Mrs. Paley, Mrs. Loel Guinness, the Duchess of Windsor, Princess Grace of Monaco, actress Dina Merrill who recently became Mrs. Cliff Robertson, and Anne McDonald-Ford, the first Mrs. Henry Ford II.

The Eleanor Lambert Public Relations Office which compiles the best-dressed ratings with the help of a fashion editor's committee said that some 2,000 style leaders and editors voted in the 1966 competition.

Lee Radziwill, 33, began showing

on the final lists when sister Jacqueline, 37, moved into the White House. She was number three in 1961 and '62, second in '63, fifth in '64, and for some reason bumped in '65.

Usually a companion list of best dressed women strictly from the fashion world is announced along with the general ratings. But this year, the Lambert office said, announcement of the fashion list had been deferred until Jan. 3.
